Children are Important

customers in our estimation. When they are sent to us on a trading errand, we always remember that they are not discriminating buyers, and we take special pains to see that they get what both you and they want.

Then we always try to be prompt in waiting on them—there is always a little worry about them at home when they are sent upon an errand and stay too long, often though no fault of their own.

Don't Start Wrong.

Don't start the summer with a lingering cough or cold. We all know what a "summer cold" is. It's the hardest kind to cure. Often it hangs on through the entire season. Take it in hand right now. A few doses of One Minute Cough Cure will set you right. Sure cure for coughs, colds, croup, grip, bronchitis, all throat and lung troubles. Absolutely safe. Acts at once. Children like it. Spring Ailments.

There is an aching and tired feeling; the liver, bowels and kidneys become sluggish and inactive, the digestion impaired, with little or no appetite, no ambition for anything and a feeling that the whole body and mind needs toning up. The trouble is, that during winter there has been an accumulation of waste matter in the system. Herbine will remove it, secure to the secretions a right exit, and by its tonic effect fully restore the wasted tissues, and give strength instead of weakness. 50c at Pioneer Drug Store. †

Dangerous, if Neglected.

Burns, cuts and other wounds often fail to heal properly if neglected and become troublesome sores. DeWitt's Witch Hazel Salve prevents such consequences. Even where delay has aggravated the injury DeWitt's Witch Hazel Salve affords a cure. "I had a running sore on my leg thirty years," says H. C. Hartly, Yankeetown, Ind. "After using many remedies I tried DeWitt's Witch Hazel Salve. A few boxes healed the sore." Cures all skin diseases. Piles yield to it at once. Beware of counterfeits. W. H. Timerhoff.
